RE: Strip Mining Fluorspar
Juab County Utah

Dear Mr. Claridge:

We have reviewed a copy of your Plan of Operations for strip mining fluorspar in Juab County. We received a copy of the notice on August 13, 1993.

This project is for surface mining of fluorspar. The operation will involve less than 5 acres.

It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

for Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
